

CyberPatriot

Free Summer Camps

Do you have an interest in cybersecurity and computers? Are you a beginner and would like to learn more about securing networks and hardening Operating Systems? AFA CyberCamps is the perfect first step towards learning more about cybersecurity! Many students that attend AFA CyberCamps go on to join a CyberPatriot National Defense Competition team during the school year. Get a head start on your STEM career and experience what makes CyberPatriot the best National Youth Cyber Education Program!

July 17-21st, 2017 9:00am-1pm **Battle Creek, MI Location TBA**

Sponsored by AFA, MEDC, UDM and MCISSE!

RSVP at www.eventbrite.com/e/cyberpatriot-summer-camp-in-battle-creek-michigan-tickets-33047482911

Seats are limited you must RSVP to hold your spot! Volunteers are needed and will receive training that will help them understand the CyberPatriot Competition so they can Coach or Mentor a team next season. Corporate Sponsors is always welcome. **Please contact Tamara Shoemaker, UDM's Cyber Center Director at shoematl@udmercy.edu for more information**
