UNIVERSITY OF DETROIT MERCY ETHICS BOWL 2016

TEAM REGISTRATION FORM

Starting at 12:30 on Friday, November 18, 2016, the sixteenth annual UDM Ethics Bowl will commence.

The Ethics Bowl is inspired by TV's College Bowl, but modified rules adapt the game to the subject of ethics. In Ethics Bowl, a moderator poses questions to teams of three to five students. Questions may address ethical problems on classroom topics (e.g. cheating or plagiarism), personal relationships (e.g. dating or friendship), professional ethics (e.g. engineering, law, medicine), or social and political ethics (e.g. free speech, gun control, etc.). Each team receives a set of ethical issues in advance of the competition, and questions posed to teams at the competition are taken from that set. A panel of judges rates answers in terms of intelligibility, focus, depth, and judgment. No specialized knowledge in ethical theory is required to compete in Ethics Bowl.

The first-place team will have the honor of representing UDM at a regional Ethics Bowl in the Chicago Metro area on December 3, 2016, and may go on to compete in the National Intercollegiate Ethics Bowl, which takes place at the annual meeting of the Association for Practical and Professional Ethics in February.

To register a team for UDM ETHICS BOWL 2016, fill out <u>all</u> of the information below. Remember, each team must have at least three members, and no more than five.
