** "W" grades will appear when you go to enter final grades. This is not an "assigned grade".

*** "XF" is assigned when a student fails to withdraw from a course. An "XF" is calculated as an "F".

C. TITANCONNECT/ E-MAIL/ SELF-SERVICE/ OFFICE 365
TitanConnect is the University's web-based system for communication and University business. You will be given access to this system and an e-mail account will be provided after your new hire paperwork is processed. **You are responsible for using this system and maintaining your e-mail account. All official University correspondence will be sent through TitanConnect.** On the TitanConnect portal page where you log in, you will find a link for TitanConnect Self-Service. Self-Service provides you with access to class lists, student information and the link where grades are submitted. Please familiarize yourself with Self-Service and the e-mail system as soon as it is available to you.

If you have any I.T. related issues, submit a Helpdesk ticket (link is located on the portal page) or call 993-1500.

D. IMPORTANT DATES
All important dates for the semester such as add/drop dates, last date to withdraw, final exam schedule, etc., can be found on the Registration Schedule Information page on the University website which is located at: [http://www.udmercy.edu/registrar/schedule/index.htm](http://www.udmercy.edu/registrar/schedule/index.htm)

E. CLASS AUDIT
Students who wish to audit a class must register for the course on an audit basis. There is no grade or credit earned for the course but it does appear on the student's official transcript as an audit. Courses taken on an audit basis do not meet degree requirements. Normal tuition and fees apply for those who wish to audit a course. Students who register for credit and wish to change to audit must make the change by the end of the add/drop period for that semester. Students who enroll on an audit basis cannot change to earn credit for that course.
Attendance is required in order to successfully audit a course. Failure to attend audited classes may result in an administrative withdrawal from the class.

**F. PASS-FAIL SIGN-UP PERIOD**
University of Detroit Mercy permits students to enroll in a limited number of courses on a modified pass-fail basis. This opportunity is provided to encourage students to explore challenging elective courses they might not otherwise select. The final grade for a course taken pass-fail may be P or F. Grades A, A-, B+, B, B-, C+, C, C-, D+, and D are converted to P (pass). Hours earned with a grade of P count toward graduation, but a P does not enter into the calculation of the student’s quality point average. A final grade of F is treated in the same manner as in those courses which are not taken pass-fail.

Election of the pass-fail option requires the approval of the student’s academic advisor or dean. The option is limited to elective courses. Other requirements and restrictions regarding the use of the pass-fail option will be determined by the college/school in which the student’s major resides. Pass-fail election forms are available from the dean of the student’s college and must be filed with the registrar. The deadline for election of pass-fail is published in the academic calendar and typically falls during the second week of classes. The date is published in the Academic Calendar. No pass-fail elections may be accepted after the deadline nor may the election be withdrawn after submission to the registrar.

**G. MID-TERM GRADE REPORTS**
All instructors are strongly encouraged to submit midterm grades. Approximately six weeks into the term you will be reminded of the deadline and process for submitting mid-term grades. Feedback on student performance, particularly in lower-division and core courses, is critical to the academic advising process and is a vital part of student retention. Mid-term grades provide this feedback, but grades are not part of the student's academic record. *(Grades are submitted on-line through TitanConnect Self-Service.)*

**H. LAST WEEK OF REGULARLY-SCHEDULED CLASSES**
Instructors are reminded that no quizzes or examinations may be scheduled during the last week of regular class sessions (a.k.a. ‘dead week’ – the week before finals). Homework assignments may be made.

**I. FINAL EXAM WEEK & FINAL GRADES**
All weekend classes have a two-hour exam scheduled for the 11th week. All other classes will be scheduled for a single two-hour examination period during the final week of the term. **It is not possible to change the time of a scheduled examination unless you have the consent of the dean, the registrar, and all students in the class.** If a student has three exams
on the same day, they may request one professor to reschedule. If there is no exam, the 2 hours are to be used as a final class period.

**FINAL GRADES ARE DUE IN TITANCONNECT SELF-SERVICE NO LATER THAN NOON ON THE MONDAY AFTER THE OFFICIAL END OF THE TERM. FAILURE TO SUBMIT GRADES BY THE DEADLINE MAY RESULT IN A WITHDRAWN CONTRACT FOR THE FOLLOWING SEMESTER.**

J. **COURSE EVALUATIONS**
3-4 weeks prior to the end of the term, students will receive information on how they can access and complete on-line course evaluations. Individual instructors will receive feedback from their department chairperson 2-3 weeks into the following semester.

K. **University Policies**
For further information on other University policies, please refer to the University of Detroit Mercy catalogs which can be found at [http://www.udmercy.edu/catalog/](http://www.udmercy.edu/catalog/).

Compliance with University of Detroit Mercy Student-Related Policies
Students of the University of Detroit Mercy are expected to comply with all policies and practices established by the College and/or University. Listed below are a few specific University of Detroit Mercy policies, however the list is not intended to be exhaustive. A complete listing of all University of Detroit Mercy policies can be found in the University of Detroit Mercy Student Handbook, and students are expected to be familiar with all University of Detroit Mercy student-related policies.

Student Course Evaluations
Student course evaluations are an important source of information for curricular and teaching improvement in the College of Liberal Arts & Education. As such, all students enrolled in CLAE courses are strongly encouraged to complete an online course evaluation. Course evaluations are completed during the week preceding final exams each semester. Information is provided to students through email explaining how to complete the evaluation online.

Available Support Services
The University of Detroit Mercy has a wide array of support services available to all students that include the library, media center, tutoring (UAS, 3rd Floor of Library) and Writing Center (Briggs 135). The University of Detroit Mercy Student Handbook contains complete information regarding location and hours of operation of the University’s support services. Students are encouraged to utilize the support services provided by the University, as needed.

University of Detroit Mercy Policy on Plagiarism and Academic Integrity
As members of an academic community engaged in the pursuit of truth and with a special concern for values, students are expected to conform to a high standard of honesty and integrity in their academic work. The fundamental assumption under which the University operates is that work submitted by a student is a product of his/her own efforts. Among the most serious academic offenses is plagiarism, submitting the style of another author or source without acknowledgment or formal documentation. Plagiarism occurs when specific phrases or entire passages, whether a sentence, paragraph or longer excerpt, are incorporated into one’s own writing without quotation marks or documentation. One also plagiarizes by paraphrasing the work of another that is, retaining another writer’s ideas and structure without documentation.

Students are advised always to set off another writer’s exact words by quotation marks, with appropriate references. Students avoid plagiarism by concentrating on their own words and ideas and by fully crediting others’ words and ideas when they find their way into the writing. Whenever in doubt, cite the source.

Students that purchase essays from other students or agencies or who copy from one another or from prohibited sources, commit the most serious type of academic dishonesty. The consequences of plagiarism, or any act of academic dishonesty, may range from failure on an assignment or in a course to dismissal from the University.

Disability Support Services and Accommodations
If you need an accommodation because of a disability, have emergency medical information to share, or if you need special arrangements in case the building must be evacuated, please contact:

Emilie Wetherington, M.A.
Director of Disability Support Services.
McNichols Campus Library, Room 328
Email: gallegem@udmercy.edu
Phone: 313-993-1158

It is very important for students to be proactive with regard to requesting their disability accommodations every semester. Students are encouraged to have open communication with their professors. However, it is never a requirement for students to disclose their disabilities to anyone except the Director of Disability
Support Services, and only if they wish to request accommodations. **You must be registered with Disability Support Services and your faculty must receive official notification from the DSS office before they can make arrangements for your accommodations.**

**TITLE IX SYLLABUS LANGUAGE**

University of Detroit Mercy is committed to fostering a safe, productive learning environment for all students. Detroit Mercy’s Policy Prohibiting Sex and Gender-based Discrimination applies to sex and gender-based harassment, sexual exploitation, sexual assault, attempted sexual assault, intimate partner violence/dating violence, stalking, cyberstalking, and retaliation. The Title IX office is located on the 5th floor of the Fisher Administration Center on the McNichols campus. Potential complainants (students making a complaint) and potential respondents ((students responding to a complaint) may contact Ms. Lang who is available to assist you in understanding all of your options including resources and referrals on and off campus. You may contact her at 313.993.1802 or langma@udmercy.edu. You may access the Procedure here: https://www.udmercy.edu/academics/academic-affairs/titleix/files/Detroit.
University Academic Services
Disability Support Services

Eligibility
Disability support services are available to all currently enrolled students who have a
documented disability that substantially limits them in one or more major life activities.
Individuals eligible for services include, but are not limited to, the following types of disabilities:
 mobility, orthopedic, hearing, visual, learning, and attentional.

Registering for Services
Eligibility must be determined in order to make arrangements for services and accommodations
through Disability Support Services. Students should complete the following steps in order to
open a disability file and begin receiving services.

• **Upon admission to the University**, contact the Director of UAS/DSS to indicate your intent
to register for disability services. The intake process, which involves giving general
information about your disability and need for accommodations, will be initiated. A disability
file will be started after the intake process is completed. The disability file will become active
upon receipt and verification of appropriate documentation.

• Provide current documentation (no more than three years old) that establishes and verifies
your disability to UAS/DSS. Guidelines for documentation for specific disabilities are
available.

• After appropriate documentation is received and verified, a meeting will be scheduled with
the Director of UAS/DSS to discuss your specific accommodations needed based on your
disability.

• The Director of UAS/DSS will provide accommodation letters to distribute to your instructors
to advise them of your approved accommodations.

• **You must contact the Director of UAS/DSS each semester** as early as possible in order
to determine your needs for the next semester. Neglecting to make this contact may result
in a delay in receiving necessary services and accommodations.

• It is very important for students with disabilities to self-advocate. It is therefore your
responsibility to talk to your professors about your needs, and to advise the Director of
UAS/DSS if you ever feel that your accommodations are not being provided.
